

These instructions will help new students navigate the Health On Track application. Please read and follow all instructions carefully to avoid mistakes.

1. Login to Health on Track using your NetID at <https://healthontrack.yale.edu/s/>
2. Select “I am a new student enrolled at Yale and am ready to begin the online steps for completing health requirements (not for visiting or Yale Summer Session students)”.
3. Click “Next” to continue.

The screenshot shows the 'Health On Track' portal. At the top, a dark blue banner contains the text 'Health On Track' and 'Yale's portal for health requirements'. Below this, a white section titled 'Welcome to Health On Track!' contains introductory text about health requirements at Yale. A light blue box with a thin border contains a 'Welcome to Health On Track, your one-stop shop...' message, followed by instructions for new students to download and print a Medical Requirements Form. Below this, a section titled 'How would you like to proceed?' lists four radio button options. The first option, 'I am a new student enrolled at Yale and am ready to begin the online steps for completing health requirements (not for visiting or Yale Summer Session students).', is selected. The other three options are: 'I am a new student and my healthcare provider has completed the Medical Requirements Form and I am ready to submit my required forms and lab results.', 'I am a current or returning student and need to review my outstanding requirements.', and 'I am a visiting student NOT enrolled in a degree program (includes Yale Summer Session student, visiting non-degree student, visiting assistant in research)'. A blue 'Next' button is located at the bottom right of the light blue box.

Health On Track
Yale's portal for health requirements

Welcome to Health On Track!

Whether you are a student, employee or faculty member, health requirements allow Yale to support a safe and healthy environment for everyone who lives and/or works on campus. If you are able access this page, then health requirements have been assigned to you.

Health requirements may include vaccinations, tests or examinations and vary depending on your role at Yale. They may be related to safety or labor laws, or university policies. Through Health On Track, you may view your requirements, see how to complete them, and submit documentation as needed.

Health On Track was developed and is managed by Yale Campus Health, Employee Health, Student Health, and Information Technology. [Please visit the Campus Health webpage](#) for instructional guides and frequently asked questions.

Welcome to Health On Track, your one-stop shop for meeting your health requirements as a Yale student. Review those [health requirements here](#).

If you're a new student and have already completed one of the steps below, [please download and print](#) your Medical Requirements Form for your healthcare provider.

How would you like to proceed?

☒ I am a **new student** enrolled at Yale and am ready to begin the online steps for completing health requirements (not for visiting or Yale Summer Session students).

☐ I am a **new student and my healthcare provider has completed the Medical Requirements Form** and I am ready to submit my required forms and lab results.

☐ I am a **current or returning student** and need to review my outstanding requirements.

☐ I am a **visiting student NOT enrolled in a degree program** (includes Yale Summer Session student, visiting non-degree student, visiting assistant in research).

Next

4. Confirm your name, date of birth, and academic program.
5. Indicate if you are living on campus and if you have any other special circumstances.

6. If you were vaccinated in the United States, you may submit a request to the registries to automatically pull in your vaccine information.

The form is titled 'Legal First Name' and 'Legal Last Name'. The first name is 'Christopher' and the last name is 'Begley'. Below these is a 'Date of Birth' field with a calendar icon. A section titled 'Instructions' with a dropdown arrow contains two columns of bullet points. The first column lists: 'Select the state where you have received one or more of your vaccinations.' and 'Enter the information requested used at the time of your vaccination.' The second column lists: 'Different states may require different information.' and 'Information entered is only used to search for your vaccination history and does not change any information in your official record.' Below the instructions is a note: 'Click Add button if you have multiple states or name variations.' The main section is titled '* State (United States of America) where I was vaccinated in' with an information icon. It contains a dropdown menu showing 'CT'. Below this are two text input fields: 'First Name at time of vaccination. If it is likely that your vaccinations include your middle name or maiden name, please include that in this field. First Name at time of vaccination. Use the Add button if you have multiple name variations.' with the value 'Christopher', and 'Last Name at time of vaccination. Use the Add button if you have multiple name variations.' with the value 'Begley'. At the bottom right of this section is a 'Remove' button. At the bottom left is a '+ Add' button.

Instructions

- Select the state where you have received one or more of your vaccinations.
- Enter the information requested used at the time of your vaccination.
- Different states may require different information.
- Information entered is only used to search for your vaccination history and does not change any information in your official record.

Click Add button if you have multiple states or name variations.

* State (United States of America) where I was vaccinated in ⓘ

CT

First Name at time of vaccination. If it is likely that your vaccinations include your middle name or maiden name, please include that in this field. First Name at time of vaccination. Use the Add button if you have multiple name variations.

Christopher

Last Name at time of vaccination. Use the Add button if you have multiple name variations.

Begley

Remove

+ Add

7. Select the State where you were vaccinated. You can change your name if needed.

8. If you were vaccinated in multiple states, and would like to try a different name, click the 'Add' button.

9. Click "Next" to continue to the next form.

10. Complete the Student Health History Questionnaire and the TB Risk Assessment Questionnaire. Click "Next" to move to the next section.

Please allow up to 10 minutes for your vaccination results to return from your previous search, and up to 15 minutes for your Medical Requirements Form to be generated. It will be available in the My Documents tab on Health On Track.

If needed, have the Medical Requirements Form signed by your healthcare provider and then return to Health On Track to submit it.
